

## General Disclaimer and Liability Release

None of the statements in Centropix marketing and educational materials and/or on the Centropix websites have been evaluated by the Food and Drug Administration (FDA). Centropix products are not intended to diagnose, treat, cure or prevent any disease.

Furthermore, none of the statements should be construed as dispensing medical advice, making claims regarding the prevention and/or the cure/treatment of any disease.

Centropix products are in no way a substitute for medical care. You should always consult your personal licensed healthcare practitioner before starting any new health regimen or modality, especially if you are pregnant or have any pre-existing medical condition(s).

You hereby release and hold harmless Centropix USA and its parent, subsidiaries, independent affiliates, partners, officers, directors, agents, employees, contractors, service providers, or suppliers ("us") from any and all claims, demands or causes of action of any nature and kind, known or unknown, which you or somebody on your behalf has or may in the future have against us relating directly or indirectly to your use of the Centropix products. Should this provision be found unenforceable under applicable law, the remaining provisions will remain in full force and effect.
